BIRAJ DUTTA

AI Trainer

New Delhi, India | +91 96253 27427 | birajduttaabc@gmail.com | linkedin.com/in/birajdutta12 | 12prex.github.io

PROFESSIONAL SUMMARY

Quality Analyst with 8+ years of experience across quality assurance, content moderation, and game testing — now producing training data for production AI models. Currently an AI Trainer at micro1 (video data annotation and caption verification, 100% quality score) and a Game Data Contributor at Visora, alongside a full-time QA Consultant role at Bill Gosling Outsourcing. WAC-certified game tester with 450+ critical bugs documented across major mobile game releases and a 99.7% bug-verification accuracy rate.

WORK EXPERIENCE

AI Trainer (Contract) — micro1

Oct 2026 – Present

Remote · Contract via Deel

- Produce labeled video datasets used as training data for production AI models as a Video Data Annotation Specialist, holding a 100% quality score.
- Verify AI-generated video captions in the Caption Verify queue — 1,170+ tasks submitted with a 100% quality score.
- Adjudicate ambiguous caption-verification cases against project guidelines, documenting edge cases for guideline clarity.

Game Data Contributor — Visora

Sep – Oct 2026

Remote

- Recorded and submitted gameplay footage and telemetry used to train game-playing AI models — 59/59 submissions approved.
- Documented gameplay bugs with clear reproduction evidence for engineering review.

QA Consultant — Bill Gosling Outsourcing

May 2024 – Present

Jaipur, India

- Develop and execute test plans ensuring product quality and functionality across client operations.
- Lead quality assurance initiatives that improved process reliability and customer satisfaction.
- Mentor junior analysts on testing best practices and quality standards.

Content Moderator — TaskUs

2021 – 2023

New Delhi, India

- Conducted content moderation checks on transactions and account actions, maintaining full regulatory compliance.
- Partnered with operations teams to streamline workflows, driving a 20% increase in efficiency.
- Identified and resolved process issues, reducing customer complaints by 15%.

Senior Process Associate — Wipro

2018 – 2021

New Delhi, India

- Performed quality assurance checks on transactions and account actions to assess regulatory compliance.
- Identified process improvements that increased efficiency and optimized workflow.
